Questions to Ask When Considering a Home Security Provider

	FrontPoint	Company X
Do you include a cellular radio in your security system? If so, is there an additional charge?	Yes, it's included with every system and there is no additional charge (upfront or monthly).	
Do you offer online & mobile access so I can control my system while I'm away from home?	Yes, it's included for free with our Interactive Monitoring service – including web access, mobile access, and email/text notifications.	
Can I add video monitoring to my alarm system? Is there a charge?	Yes, video monitoring is included for free with our Interactive Monitoring service. You can easily add any of our wireless video cameras to a new or existing FrontPoint system.	
What happens if I want to add equipment to my system after my initial purchase? How much will it cost?	<p>It's very easy. Simply purchase any additional equipment – we have some of the lowest prices in the industry. We'll ship it to you and remotely add it to your system. No need for a technician to come out to the house.</p> <p>Examples:</p> <ul style="list-style-type: none"> Door/Window Sensor - \$32.99 Motion Detector - \$64.99 Smoke Detector - \$64.99 Glass Break Sensor - \$74.99 <p>All our prices are transparent – visit us at www.frontpointsecurity.com/choose.</p>	
What happens if I move? What are the fees?	It's free! If you ever move, simply take your FrontPoint system with you. You can easily add any new equipment that you'll need for the new home. There are no fees whatsoever, and no limit on how often you can move for free.	
Is installation of the alarm system included in the price?	Yes. Most of our customers choose set up the system themselves – it takes 20-30 minutes, on average. Of course, we can arrange for a professional installation whenever needed.	
What is your warranty?	2-years. If anything happens to your equipment during this time period, we'll fix it or replace it – at no charge.	
If I ever need service on my system, what's involved?	We can resolve 99% of all service issues over the phone, so there's no need to wait around at home for a technician. We can send a technician whenever needed.	
How happy are your customers?	We prefer to let them speak for themselves! And we invite you to do a Google search for "frontpoint security reviews". You'll find nothing but positive postings. We invite you to also search www.complaints.com and www.ripoffreport.com .
